- 1— Song and Cheer led the Pioneers in SPIRIT and enthusiasm. The Song squad is the defending State Champions. The dedication, service, and caring are trademarks of Song and Cheer demonstrating their SPIRIT.
- 2— Disneyland salutes the '83-'84 CIF wrestling champs of Western High School. For two straight years the Pioneer Varsity has captured their division of CIF. This years squad has quite a task ahead if they are going to repeat.
- 3— Students are a major part of school spirit TOO!!
- 4— Looking at the tradition of Western only creates stronger SPIRIT and desire to succeed, not to let that SPIRIT die.

4

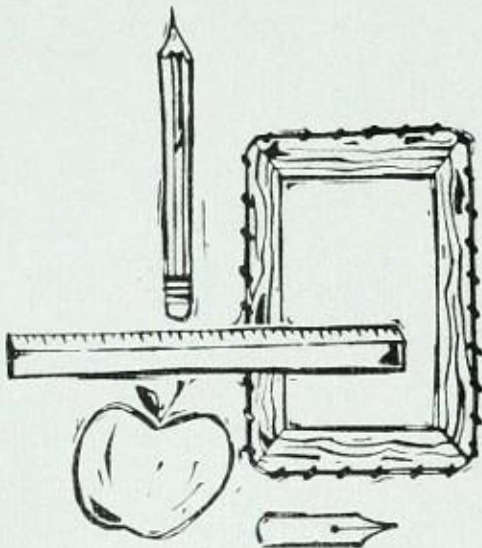

NEW BEGINNINGS

Mr. Craig Haugen

This is not only Haugen's first year at Western, but also his first year as a principal. He has spent his entire career in this district, working his way up from teacher to his present position. "I sincerely feel lucky to have been appointed to Western. It's very refreshing to be in such a positive atmosphere."

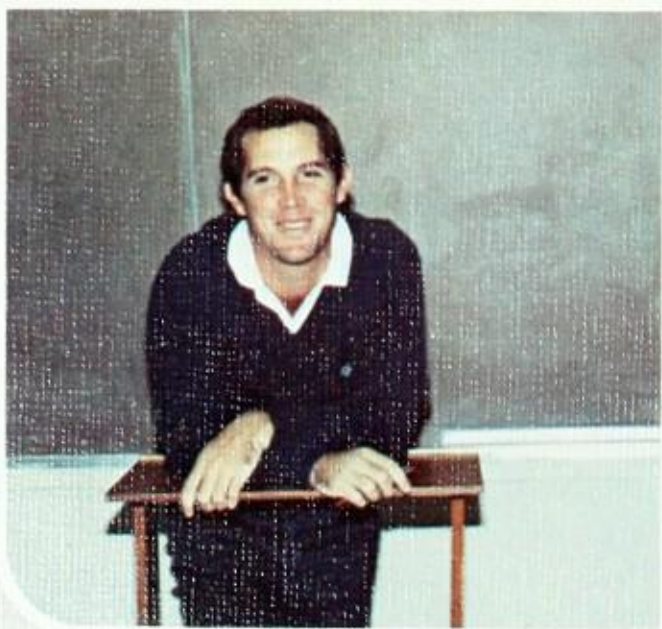

He sees Pioneer Pride as a need and very important, particularly in academics. When asked how he was going to boost the spirit at Western, he replied, "How can I? The spirit is great already. All I can hope for is to maintain and support it." However, he would like to help the students reach their full potential. "You need to expect more from the students to get more out of them. If you never expect them to do better than average, they won't."

Haugen had some exposure to Western, having worked for a time at Orangeview, but his first encounter with Western's staff was impressive. "During the summer I had the chance to meet every single teacher. At some time or another, everyone of them came through the office. That kind of dedication is unheard of." He feels there is a very positive attitude in the staff that is transferred to the students.

Ms. Manemann

Manemann comes to Western with years of experience as an English teacher. She was very impressed with the kindness and cooperation of the students at Western.

Ms. Bosna

This returning counselor is very glad to be back at Western after her one year leave. She now handles Scholarships and Financial Aid, also.

Mr. Pascal

One of the things he enjoys most is watching kids grow from the time they are a freshman to the time they leave Western as a Senior.

Ms. Kline

The dedicated staff impressed this new A.P. "Everyone went out of their way to introduce themselves and be friendly. I felt like I really belonged."

Mr. Cross

Cross was overwhelmed with the involvement of parents and students. The donated time and commitment preparing for another school year simply amazed him.

Freshmen

Life begins anew at Western, and freshmen are faced with many differences and a year full of adjustments.

"I'm suddenly the youngest again."

"The biggest adjustment was going from the top to the bottom again."

"I had a hard time finding my way around school."

"The biggest difference was having to use a bottom locker."

"The work is harder and you have to be responsible for yourself."

"I was afraid I'd have to kiss the W in the gym."

"The upper-classmen knew the teachers, the schedule, the classes and we knew nothing ... It was scary."

"I couldn't believe how big everybody was!!!"

Mrs. Golobay

Golobay hopes to help A.S.B. develop their communication and organization skills. They are permitted to exercise their responsibility and grow as individuals.

"PIONEER PRIDE"

- 1— Del Louis returns it all the way as Varsity Football has an 8-2 record for a great year and into CIF.
- 2— Song and Cheer create PRIDE through hard work and arousing school spirit. These girls spend hours of their time giving to Western High School.
- 3— PRIDE in victory, PRIDE in our Alma Mater, PRIDE in ourselves is the spirit at Western.
- 4— The school band supports the school and creates PRIDE in so many ways. They practice early in the morning, play at assemblies, go to sports events, and march in parades and shows and bring honor to our campus.

1

- 1— Water polo advanced to CIF once again after a successful season.
- 2— Girls tennis moved to CIF play-offs led by Angela Clement.
- 3— Western was superbly represented in 1984 Olympic Games by Tall Flag Team members. Standing — left to right — Michelle Browning, Daniele Meis, Kelly Jensen, Donna Adams, Michelle Meis, Debbie Olsen, and Sonya Luellan; kneeling in front are Stacy Roll and Liz Dayton. A job well done girls.
- 4— The Western symbol stands for a proud tradition and a great heritage.
- 5— PRIDE is having fun, representing your school, showing your spirit. At Western WE HAVE IT ALL!!

PIONEERS THRIVE ON ASSEMBLY POWER

Pioneer Spirit and Pride are rekindled at Pep Assemblies. The enthusiasm of the students, band, Cheer, and Song help build PRIDE in our teams and our school. The gym really rocks with SPIRIT and the message is felt by all who participate.

- 1— Brian Hudson and Del Louis are faithful to our Alma Mater
- 2— Class competition goes to the one with the "big mouths"
- 3— Freshmen ease into the SPIRIT
- 4— "The Bell" tolls for all who oppose the Pioneers
- 5— 'Donna' Crosby and 'Hairless' Trent lead cheers and the rest of the squad
- 6— Sometimes a "Thriller" is needed to spur the team to victory — just ask Chris Reno
- 7— 'Dickita' Parks helps Coach Pascal generate spirit
- 8— Tim Rosen and Candy Paranteau lead Seniors to still another triumph.

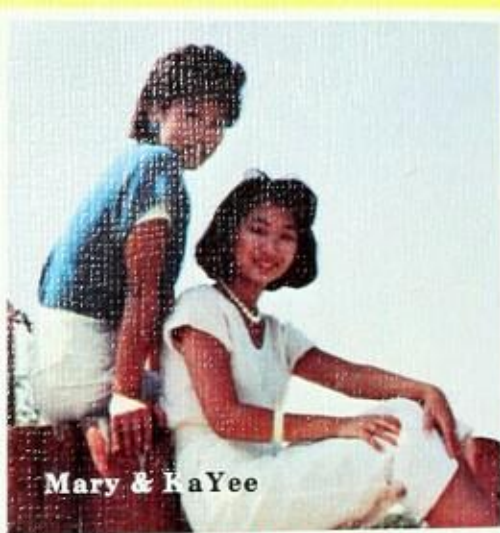

TERRORIFIC SONG AND CHEER

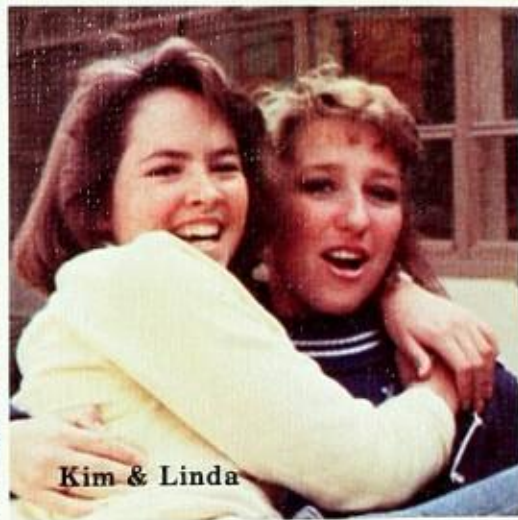

Mascot, Tracy Stark, ponders our next Pep Assembly and the coming season.

WHAT IS A FRIEND:

WHAT IS A FRIEND:

"...one who will take you for what you are, not what they want you to be."

"... someone with an ear to listen, a shoulder to cry on, and a heart for everything else."

"...someone who will leave me alone when I want to be by myself and will stay with me when I can't be alone."

"... someone who will take time to listen even when there is no time to spare."

"... someone who will listen to your wildest dreams, and believe in them with you."

"... someone who doesn't always like what you do, but stands behind you through it anyway."

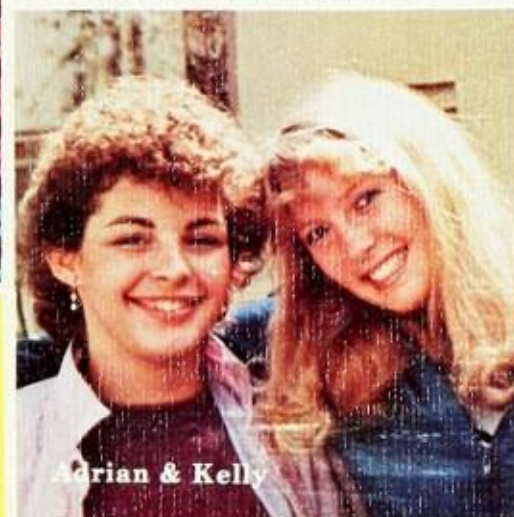

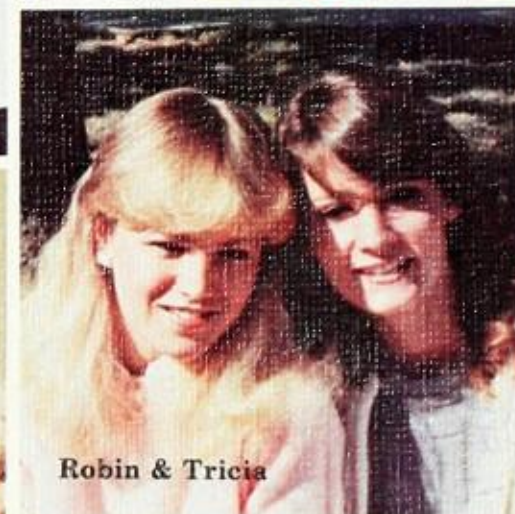

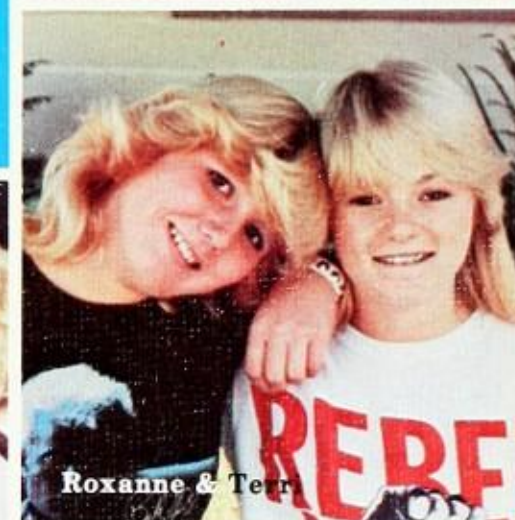

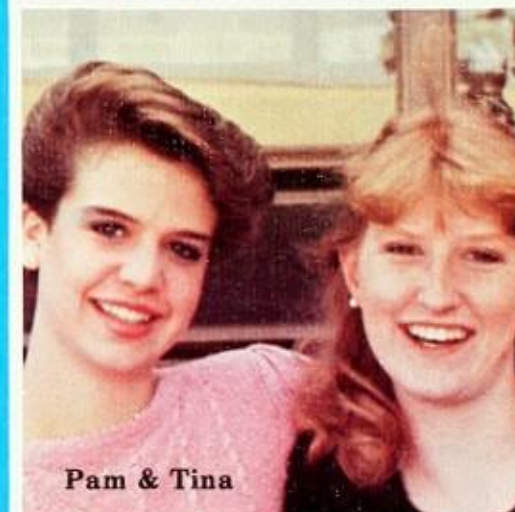

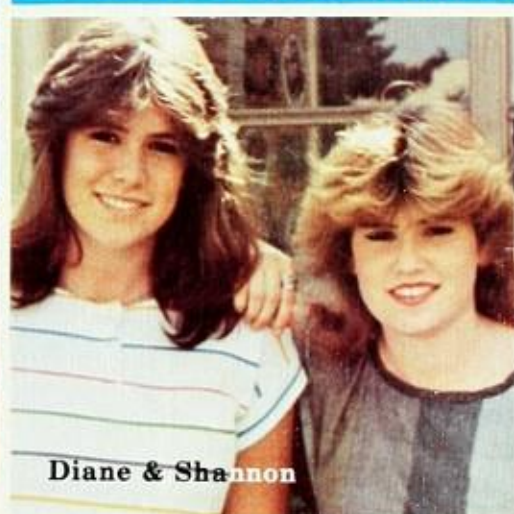

"... one who knows all about you, but likes you anyway."

"... someone who will split their last piece of bubble-gum with you."

"...a person that will stand up for you when you're not around."

"... one you can communicate with without actually talking."

HOMECOMING 1984

On Thursday night, October 25, anticipation for homecoming ran rampant in the Pioneer gym. The excitement was overwhelming. Friends and families gathered together to enjoy the night's festivities. The evening began with the national anthem, sung by Bonnylee Watson. This was followed by a procession of ladies-in-waiting and their escorts, representing almost every club on campus. As the tension built, everyone awaited the final decision and at last the 1984 Homecoming Court was announced.

VARSITY FOOTBALL

Western's varsity Football team had a very successful season. The players had a lot of talent and with hard work, discipline, dedication and leadership they made this year a winning season. The Pioneers are lucky enough to have a tremendous coaching staff headed by Jim Howell. Randy Sheets and John LaMorte had a great year on defense. Other exceptional defense players were Kerby Cate, Tony Fesili and Jim Noson. Chris Chase led Western's offense, with dynamo Del Louis as ball carrier. Outstanding receivers were John Allen, Brent Boggs. 8-3 record, the Pioneer's one of the best seasons in ten years qualified them for C.I.F.

The team plans their strategy

Western's Varsity Water Polo team, under the direction of Larry Senglaub and Curt Montgomery, was a very young one this year. Although there was only one senior, that makes a good outlook for next years team. Hard practice makes a good team, that is exactly what the team does. The athletes arrive at 6 o'clock a.m., two hours before school to start their practice. After a full day of academic study the team resumes practice again until 4:30 p.m.

This year's season record was 7 wins and 9 losses. The team placed third in league, and this qualifies them for C.I.F. This was the fourth year in a row that they went to the play-offs.

JUNIOR VARSITY

WATER POLO

This year's Junior Varsity Water Polo team consisted mainly of very young players. Because of this, next year's team has a very good outlook. Larry Senglaub, head coach, and Kurt Montgomery directed the young talent. The team's captain was Tim Spangler. Dennis Reynolds was awarded Most Valuable Player and Curt Faulkner received Most Improved Player.

J.V. TENNIS

The Junior Varsity Tennis team, under the direction of Mrs. Sammon, placed second in Orange League, tied with Magnolia. Their league record was 7-3, and the outlook for next year is very good. Dawn Potocki received Most Valuable Player, Eileen Wei was awarded Most Improved, and the Coach's Award went to Sally Jeon.

VARSITY TENNIS

The 1984-'85 Varsity Tennis Team, led by Mrs. Sammon, placed second in Orange League. This year's team consisted of many new and inexperienced players, but dedication and hard work helped Western to qualify for C.I.F. play-offs. They went to C.I.F. with an 8-2 record, but were defeated by La Serna in the first round. Because the team was made up of mostly underclassmen, the outlook for next year's team is very good.

Ana Maria Gill and Rhonda Price teamed up in doubles to become the best team in the Orange League with a 29-1 record. Singles player, Angela Clement, made 1st Team-All-League with a 23-4 record. Ana Maria Gill and Angela Clement teamed in doubles to reach the finals of the Orange League Tourney to qualify for the C.I.F. Individuals Sectional at U.C. Irvine.

The 1984 Cross Country season was not a great success in terms of total meets won. It was, however, a great learning experience and the entire squad will return next year with a year of experience under their feet. Prospects for the '85 season are bright.

The Girls' team boasted two of the best runners in the Orange League. They are Tina Huber, junior, and Ann Ashcraft, sophomore. Tina finished fourth and Ann took seventh in the finals to earn All-League honors.

The Boys' teams consisted mainly of underclassmen. Sophomore Andrew Nieves was the top runner and finished third in the League Frosh/Soph Finals. Both the Boys and Girls teams are in need of more runners to compete in the tough Orange League and hope to encourage more athletes to join the program in 1985.

Bryan McCormick begins his last lap.

Coach Greg Hoffman

Coach Hoffman's second year at Western High was as exciting and eventful as his first. He commented on this year's season: The Varsity players have been great to work with, all with a great sense of humor and team rapport. The 84-85 edition of Pioneer Basketball was led by team captain John LaMorte. Leading scorers were Joe Burris, and Troy Joseph with other starters being Chris Chase and Patrick Bush. Completing this year's squad are Henry Longmyer, Kerby Cate, Dave Hernandez, John Allen, and Dante Benedicto. One of the pre-season highlights was the first time ever victory over Cypress High 40-39 on Joe Burris 20 footer at the buzzer. Other pre-season highlights were the team's consolation championship in the Cerritos-Gahr tournament. Troy Joseph was awarded All-Tournament for his efforts. Joe Burris was also singled out for his outstanding performance in the Katella Klassic where he led the tournament in scoring while receiving All-Tournament Honors.

JV Basketball

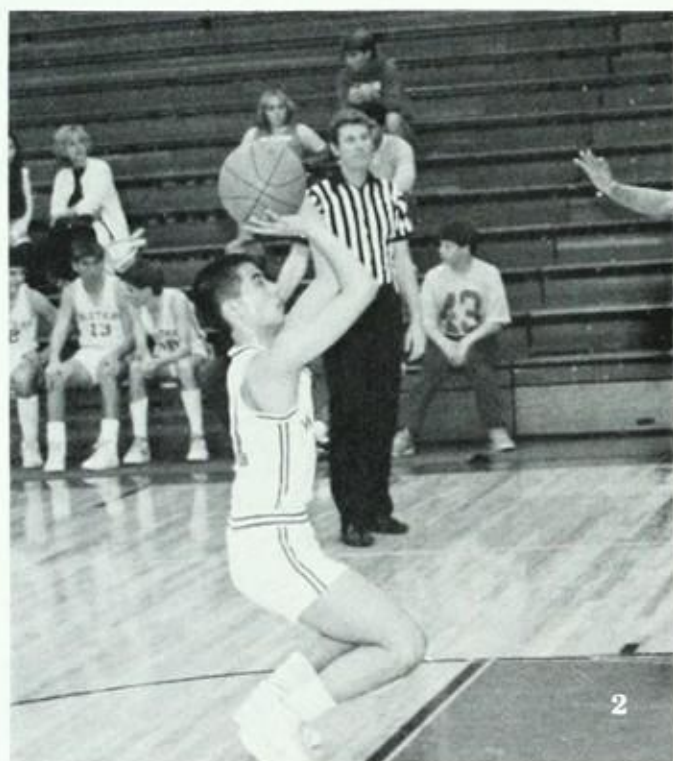

Western's Junior Varsity Basketball Team was very competitive this season. According to coach Dave Ek, "The future looks bright for Western Basketball." The JV's were led by Jr.'s Lonnie Hansen, Alvin Lott, and Man-Shun Siow, sophomores Craig Shimihara and Javiar Rivas, also played a vital role, especially with aggressive defense. The JV's were an exciting team to watch, with their run and gun style of play, and tenacious "Up tempo Defense," they were able to compete with any team of the league. Mark McDevitt, Mike Cobleigh and Wolfgang Kuhr, a senior from Germany, freshman Scott Ayers, and Toby Howell all played important roles on this squad.

As the team stood at 15-5, they were well on their way to becoming the highest achieving team in Western's Girl's Basketball history. This year's outstanding team was coached by Gary Hunt.

One of the highlights of the Lady Pio's season, was the capture of the second place into the Savanna Running Rebels Classic. Honors were given to Junior Melanie Williams and Senior Ana Maria Gill, as they were named to the all tournament team.

JUNIOR VARSITY SOCCER

The J.V. soccer team might well be the breeding ground for future Western soccer stars. The team coached by Ray Mendoza has had a great year and was very representative in this years Orange League. The team spent many hours each week executing drills to build up their stamina and skills. This has definitely shown up in their performance. Western has a bright future in soccer based on the performance of this years Junior Varsity.

All leaguers Mike Frabotta and David Tellers return to lead a solid Western attack. Add to that 1984 Orange League MVP Chris Chase and Coach Dave Bowman has reason to smile.

The Pioneers are rich on experience with returning letterman Robert Harrison, Jim Cure, John Ortiz, Roger Klump, Paul Boucher, and Rich Lodding. A welcome addition to this years ball club are John Tellers, Sean Frattone, David Brown, Ray De Los Reyes, and Eric Kawamoto.

Under the tutelage of coaches Phil Diplock and Tony Pica, the team will strive to learn the fundamentals in one of Orange County's finest programs. The Frosh/Soph team has outstanding talent and a great attitude towards hard work. All this plus experience could lead to league Championships down The Pioneer Trail.

JUNIOR VARSITY SWIMMING

The 1985 Junior Varsity Swim Team was a small one. Although they had a small turnout for the JV Team, this team has a great potential for 1986. They were a hard working team, that improved a great deal throughout the season. The coaching staff consists of Larry Senglaub and Curt Montgomery.

With only two seniors and two returning let-termen the Swim Team was very young on experience. However, according to Coach Senglaub, this has been one of the hardest working teams he has ever had here at Western. The teams steady improvement throughout the season shows potential for the future.

The 1985 team was perhaps the best girls team Western has ever had. They had a lot of dedication, and though young, they had a lot of talent. This years team was paced by Cassy Higbee, Holli Hoffman, and school record holder Chihiro Aber. They showed strong unity and team spirit and it lifted them to many victories. Junior jumper Steve Hefferan had a great season in the high jump and triple jump as did Sophomore sprinter Kirk Ayers. Both Steve and Kirk were ranked among Orange County's best. Tim Pastor, Bobby Posadas, and Bud Norris rounded out a seasoned jumping group. Junior Kelly Weissenfels headed the young distance crew along with Sophomore Andrew Nieves. Varsity Tennis opened the 1985 season with high hopes for a league championship. The newcomers, Eloy Champion, Joel Pereda, and Steve Hamilton round out the varsity team for 1985. The 1984 season ended with Western in second place and a trip to the C.I.F. playoffs. This year we will probably have gone again because the team in just their first round of league play is four wins and one loss, with an eight and two overall record.

LIFE

**WHEN I'M
WITH YOU**

On a cold winter's night in January the annual Girls League Winter Formal was held at the Garden Grove Community Center. The Girls League committee transformed the room into a Winter Wonderland. Diana Vazquez and advisor Mrs. Huntley worked with the girls to decorate and create the perfect atmosphere. Couples had a great evening and danced the night away. The high moment of the evening arrived with the coronation of Queen Sylvia Lauber and King John Allen. To see the students dressed in their finery was a sight to behold. Thank you Girls League for a truly memorable evening.

LIFE ON CAMPUS

"What do you mean this note isn't acceptable?"

ATTENDANCE . . .

The attendance office and the telephone are familiar locations to Western students. The attendance office handles all absences and attendance clerks Graham and Payne do quite a job. Students are responsible for their absences and the office is a busy place especially after January 28th. If students are not present on campus an automatic dialing system is used to inform the parents of their absences.

Ms. Graham discusses absences with parent.

THE TELEPHONE . . .

Ms. Payne OK's another valid absence.

Best Excuses Ever . . .

Parents also call and check on attendance, here are a few reasons:
 "I came home unexpectedly and I can tell he had something to eat."
 "She drove passed me this morning when I was out shopping."
 "His surfboard is missing and I don't think he really went to school."
 "He only has one pair of shoes and they are still in his room."

"This is Sara's Mom and Sara isn't feeling well today but I will be back tomorrow."
 "I had a doctors appointment . . . all day."

When the rain comes or when it's cold, the line-up to use the telephone becomes long and the wait is ever so long. Some students have quite a problem finding 20¢. At the left Cheryl Kitajima and Gail Bargayo have nothing better to do than to pose while awaiting use of the phone.

Sometimes the Media Center keeps you warm.

MEDIA CENTER ...

The cheer squad hits the books.

The Media Center is a gathering place for students before, during, and after school. Materials are readily available and the staff serve a multitude of student needs. Downstairs is the Career Center where students can learn about and study the many aspects of job opportunities.

Rocio Guzman helps fellow student.

HEALTH OFFICE ...

The Health Office is a favorite gathering place for many students with their various ills and problems. Mrs. McAlmond serves all students on an even keel and she is prepared to handle minor medical crises as well as major accidents as they may occur. We are very lucky to have such a great and dedicated health services co-ordinator as Mrs. McAlmond.

Another busy time in the Health Office for Mrs. McAlmond.

LET'S EAT

The chuckwagon gets a workout twice a day.

The best two times for most students each day is the times we eat. Sometimes nutrition seems like hours away. At nutrition there seems to be just enough time but then the thoughts drift to lunch. Lunchtime, the best time of the day, is a time to eat, socialize, relax, and become part of 'Pioneer Life.' There is dining on the lawn, dining inside, or just a quiet meal in *your special place*. Lunchtime is also when clubs meet, assemblies are held, and a lot of 'important socializing' is achieved. Sometimes it is a time to just relax and enjoy being alive.

LUNCHTIME ...

Now that's class. Dining in your chair on the grass.

NUTRITION ...

Mike Lewis says, "No! The coach said milk only."

above: Just a little snack to tide us over until lunch. below: Pile it up at the salad bar. The best deal in town.

LET'S MEET OR VOTE

Candy, Joe, and Steve give it their all for ASB assembly.

We always close with the Alma Mater.

The classes attempt to stomp each other into oblivion.

Pep Assemblies bring together the entire student body to help support and introduce them to campus life and the various athletic teams. At these assemblies the band plays, the color guard marches, the cheerleaders cheer, and the songleaders lead in song. The assemblies are run by Pioneer Mascot — Tracy Stark.

Lunchtime is also the time when clubs meet and voting is done for the class officers, special elections, and that really special time — Homecoming. ICC is held at lunch also and helps the various clubs function smoothly and wisely.

Christina 'CLOWN' Paul

Dave 'MOTOCROSS' Crum

Two or three times a year the Western students can let their imagination run wild. During Spirit Week there is Nerd Day and many students participated. Later we had Halloween Dress Up Day and many students and faculty members got into the spirit.

In the classroom is where education begins and is nurtured. Students learn to understand concepts, proper grammar, reasons for historical events, how their bodies function, how to cook and sew, and most important, how to survive in today's society. The teachers at Western perform yeoman duty as they attempt to cause students to think. After a four year high school life the main goals of most students are to graduate, get out, and go home. IT WAS A GOOD LIFE AT WESTERN.

When it rains our campus becomes quite a challenge.

Our '84-85 A.S.B. was composed of 16 elected members, each in charge of a different activity. We took great pride in overseeing the many varieties of clubs and projects which took place throughout the year. This past year, our council emphasized school spirit and student involvement in government. We feel we succeeded in accomplishing our goals as a group, and we would like to thank the entire student body for their support.

CONGRATULATIONS GRADS

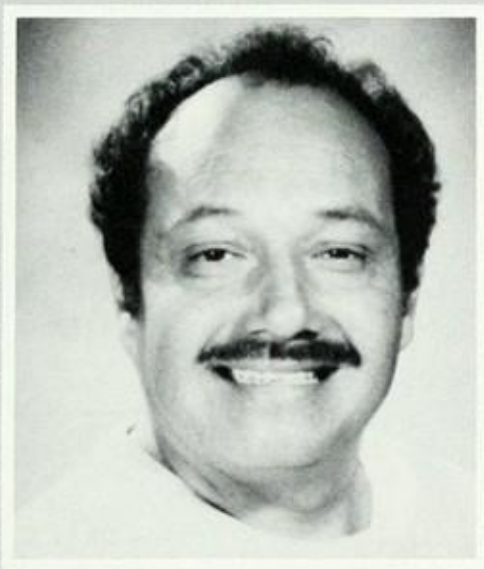

The Senior Class Cabinet decided to continue the tradition of senior t-shirts. This year's design was created by Scott Conrad. Senior buttons, another tradition, were sold by the cabinet. "Senior Week" in May was carried out as usual. Graduation announcements were voted on in December, along with the question of blue vs. white caps and gowns. By an almost unanimous vote, the Pioneer Seniors kept the white for girls and blue for boys. Many individuals in the Senior Class Cabinet are planning a post-graduation trip to Hawaii.

CLASS OF 1986 — JUNIORS

Mr. Juarez

The Junior Class Cabinet is perhaps one of the busiest and hardest working clubs on campus. The reason for this is that they have to earn surplus money, and organize the Junior/Senior Prom, which is not an easy task. Most of the Class of '86 is very active in other school activities, but their efforts rise above all in their activities in the Junior Class Cabinet. The advisor is Richard Juarez and the Class Officers are: Valerie Wells, President; Linda Hawley, Vice President; Lonnie Hansen, Secretary; Tina Hill, Treasurer.

The Class of '88 has shown its highly spirited Western Pioneer colors early! The Freshman class has fulfilled its goal of promoting class unity, spirit, and enthusiasm.

The January Fund raiser was a great success due to the large participation of many class members and the exceptional efforts of Michelle Bland, Steve Izabal, Yvonne Cassier, Tina Chavez, Janine Wilhelm, Holly House, and Dawn Burris.

This year the Foreign Language Club was very active in International Day. This event, the highlight of the club's year, illustrated the purpose of FLC, which is to explore different cultures and sustain the "international spirit" of unity on campus. The biannual celebration, with its show of international dress, singing, dancing and cultural food kept this spirit alive.

The German Club is one of the largest clubs on campus. The purpose is to attract students to German and at the same time socialize while learning about German culture. The Oktoberfest is our first German experience of the year. We also sing German songs — especially at Christmas. German restaurants benefit from our voracious appetites. The big event this year is the International Day in April. Each year we spend a weekend in the mountains to reward those who work hardest and participate the most in the club. Auf Wiedersehn!

GIRLS LEAGUE

Western's Girls' League functions as a service Organization for the school and the community. Additionally, the purpose of the organization is to contribute to school spirit by inspiring leadership, thoughtfulness, loyalty, honesty, and wholesome activities. Money made by the girls through fund raising activities go to various philanthropic projects and toward scholarships. Fund raising activities this year include the Homecoming Mum sale, Christmas candy canes, Valentine's candy grams, and their largest project, the Winter Formal. The girls also held a Mother-Daughter Tea and a Banquet honoring the outstanding service contributors to the organization. The American Red Cross Blood Drives involved the entire school, faculty, and students in this worthwhile endeavor. For the first time the girls 'adopted' the residents of a local retirement home. With caroling and cookies for the Christmas holidays and other thoughtful projects. The residents had beautiful remembrances for the season. Also at Christmas the organization sponsored two needy families for Christmas, supplying Christmas dinner with all the trimmings. These families also received an abundance of canned goods collected by the girls in a campus wide food drive.

The 1984-'85 edition of Western High Varsity Club held up the long standing tradition that Mr. Bob Fieldhouse had installed many moons ago. That is, the club members worked very hard for almost no personal gain.

The club as a whole consisted of hardworking individuals who put the club and school above themselves. This year's Varsity Club was led by: John Ortiz, President; Brent Boggs, Vice President; Shana Donnelly, Secretary; Paul Boucher, Treasurer.

One of the main responsibilities of the Varsity Club is to buy new championship banners for both the Boys and Girls gyms, as well as help with equipment emergencies for the different athletic teams. To pay for these items, the club must engage in fund raisers. This year's include a very successful booth at Silverado Days and volleyball games between faculty members and club members. The tradition is building and Yearbook will become a prize that those who really care for their school can win by becoming a staff member. A special word about those who gave so much. Thank you to those on the Western staff and teachers that helped us when we really needed it. Thanks to those students that were there to complete their work and meet their deadlines. It was a good year and we had heart-break and joy all at the same time. A special thanks to Pam Wells, the editor and chief book organizer. Pam gave so much to this year's book and her dedication and effort should be saluted. Thanks to Ame Tuttle who did so many little things and helped so much. Mary and KaYee I thank you also. CRAIG HAUGEN — PRINCIPAL

1984-85 was indeed a year of new beginnings as far as administration was concerned. Western High began with a new principal and two new assistant principals. Mr. Haugen could be seen at many Western functions and was highly visible during nutrition and lunch. Mr. Haugen has inspired the faculty to strive for academic excellence.

The addition of Ms. Kline and Mr. Cross, along with Mr. Jones, caused our campus to strive for new highs. They have given many hours to see Western strive for academic excellence. From early mornings in the parking lot to after school meetings, they have served Western in the highest level of academic excellence. The staff and students of Western High School have reason to be thankful for such a concerned and dedicated administrative staff.

MATH

Western's Math Department, headed by our newest addition, Glenn Taylor, has a wide variety of programs. These range from Basic and Practical Math all the way to Calculus. Somewhere in the middle fall Algebra, Geometry, Algebra II/Trigonometry and Analytical Geometry & Elementary Functions. This year, for the first time ever, Advanced Placement Calculus was offered, taught by none other than Mr. Taylor. Although this class only survived one semester because of low enrollment, this is considered to be a major step in the high quality of education here at Western.

SOCIAL STUDIES

This department, headed by Rudy Richard, concentrates on four major areas. These are World Cultures, American History, Economics and U.S. Government. As in other departments, an accelerated program is offered to high achieving students. These special teachers include: Ed Woodson, Freshman; Marv Blemker, Junior; Mavis Nystrom and Rudy Richard, Senior. A unique opportunity is offered to extremely ambitious Juniors in the form of Advanced Placement American History, instructed by Jim Tozzie. This class is equivalent to a college course and students can get college credits via a test taken near the end of the year.

Ms. Nystrom takes roll.

Mr. Butterfield discusses the becoming of America.

A student in confusion gets help.

ENGLISH

It was another busy year for the English Department, headed by Carolyn Mazza. Each grade level had its Honors classes designed especially for the excellerated student. This class enables the more advanced to work at a faster pace. The Juniors spent most of the year studying the work of many American authors. The Seniors were able to receive college credit by taking the Advanced Placement English course taught by Lenore Formuzis. The Seniors spent their final year on the English authors. The English Department proved to be an affective one for all.

Mrs. Mazza explains Poe.

Mr. Bowman gets ready for class.

Robert Stockton, Margit Munroe, Norma Terkelson, Dave Bowman

Mr. Stockton once again goes over an allegory.

Mr. Lloyd puts in diligent hours to the yearbook.

Mrs. Formuzis contemplates Plato's concept of reality.

Mrs. Shelton explains a perfect essay.

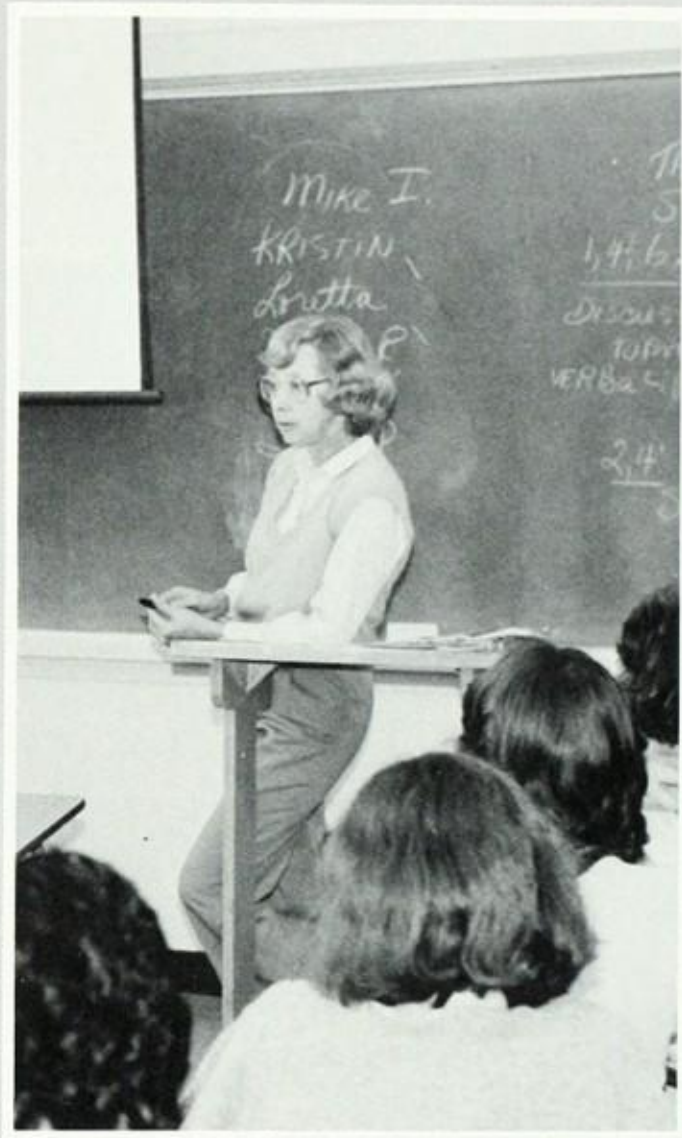

Mrs. McDermott ponders "Macbeth".

Ms. Manemann puts on a happy face.

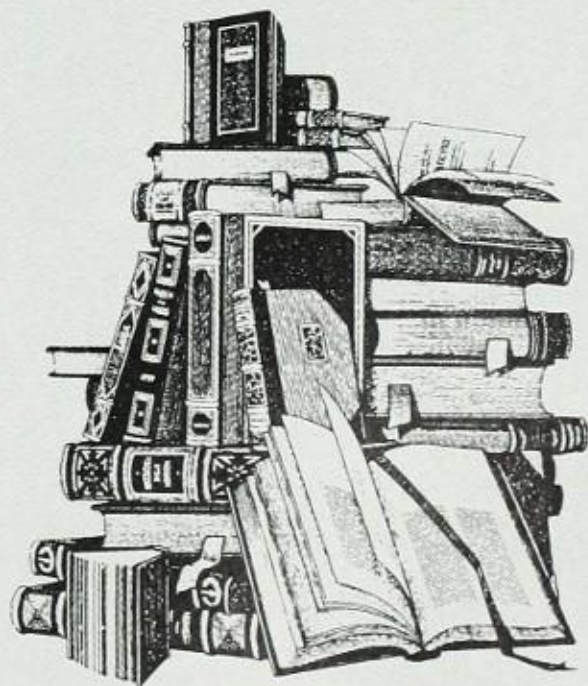

Ms. Munroe helps out when needed.

Ms. Terkelson fields questions.

Lenore Formuzis, Vickie McDermott, Trudy Shelton, Carolyn Mazza, Arlene Manemann, Cista Leonard

FOREIGN LANGUAGE

Ms. Fosseck helps make learning a foreign language a little easier.

Linda Crowthers habla un pocito español.

Ms. Wright's Advanced German class performs the "Turkey Dance," keeping in line with Friday afternoon traditions.

Parlez-vous francais?

The Foreign Language Department, headed by Deni Fosseck, aims for cultural enrichment as well as language development. Mickey Wright continued to increase the interest in German with such activities as a trip to Oktoberfest. French is taught exclusively by Alba Woodell who involves her classes, both French and Spanish, in International Day. Mrs. Fosseck teaches the advanced Spanish classes using headphones as an accented teaching technique.

For many years Home Economics has been classified as a "girl's class", no longer is this true. You might say things have changed a little. Anymore most every class period has their share of boys enrolled. Home Ec. has also changed it's stereotype in another way. No longer is it merely just cooking. Our program on campus includes subjects such as Creative Cooking, Fashion Technique, Clothing/Creative Design, and Culinary Techniques. The wide variety along with the personalities of the teachers, Julie Blanchard and Gloria Ferrin, make Home Economics a new and interesting experience.

ART

There are many artistic students at Western, and, fortunately, there is an excellent program to accomodate them. Ms. Parkinson directs the young talent with Friday figure drawing, among other things. Mr. Jensen takes art off the paper and delves into 3-D designs like graphics and ceramics. Mr. Christian, in his photo classes, shows how to capture art in motion. This year, once again, Western art students received honors at district exhibits and had a very successful year.

Chris Christian gives advice to Michelle Bland.

Mr. Bones poses for Mrs. Parkinson's class.

MUSIC

Choir performs at Homecoming.

The music department is basically divided into two self-sufficient programs, Choir and Band. This is Jeff Plum's third year directing the active Pioneer Band, and with great success. In addition to competing in parades and field tournaments, the many, talented musicians form an orchestra second semester. The A Cappella Choir and Madrigals are directed by Linda Graham-Rehm. Also, this year, for the first time, Musical Productions was offered. This class gave students experience in the combination of theatrical and choral endeavors.

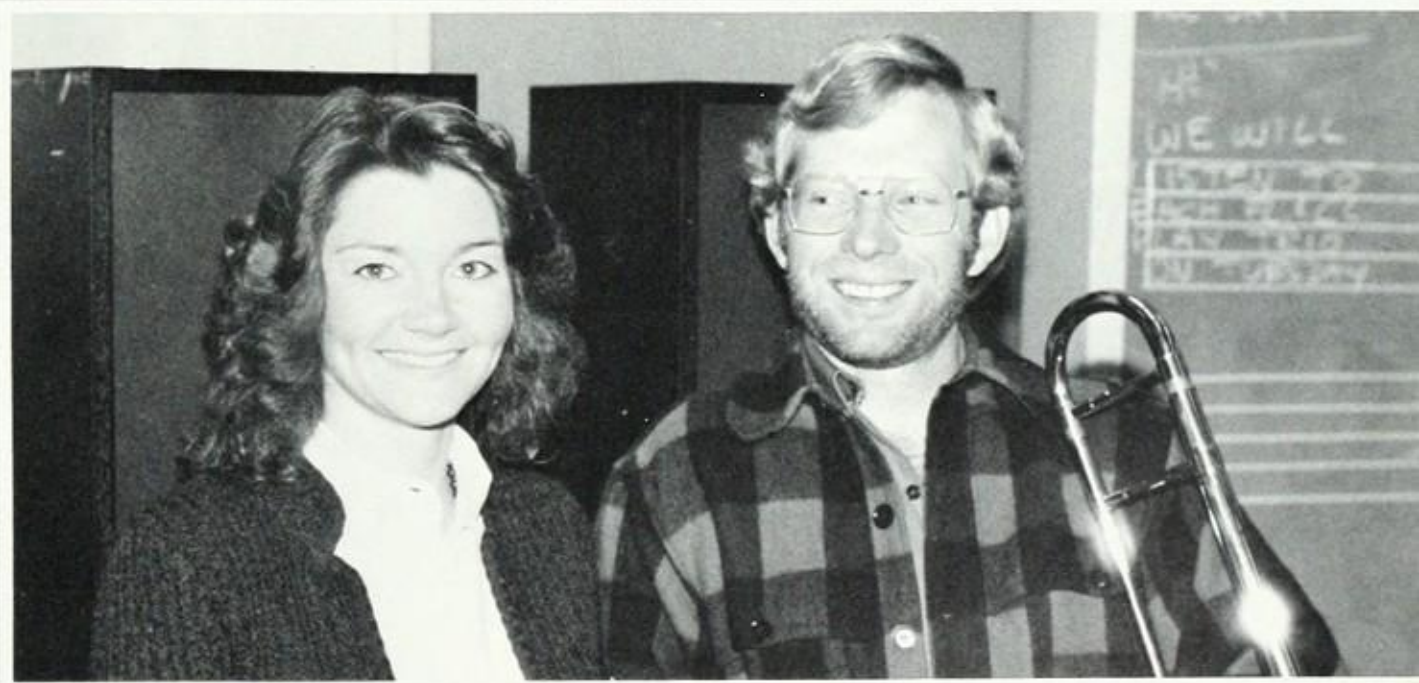

Band members give up beauty sleep to be at school by 7:00 to practice the field show routine.

Ms Graham-Rehm helps the choir prepare for their Christmas concert at the mall.

Mr. Plum directs morning band practice.

INDUSTRIAL ARTS

Robert Hoffstot examines the machine.

The students involved in the Industrial Arts area are learning life long skills which can qualify them for good job placement. The Drafting students yearly receive many awards and trophies under the guidance of Mr. Hoffman. The Print Shop prints materials for many departments and the school while wood shop and welding help students learn beneficial skills. This area of the curriculum will be growing as the demand of skill areas increase in our society.

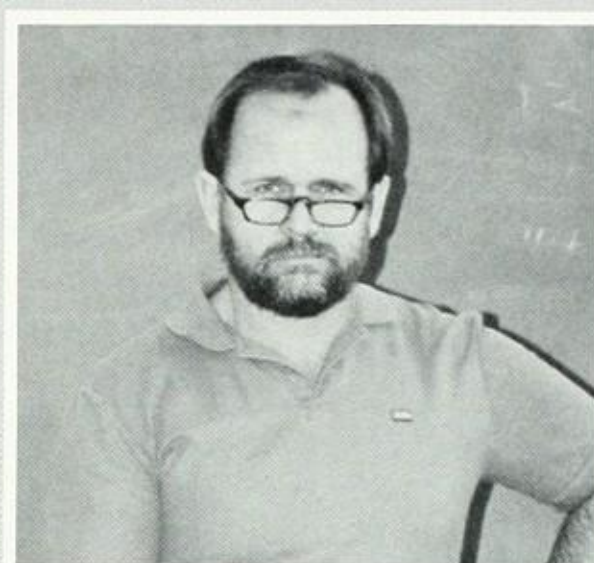

Mr. Overholt measures out a new project for an inquiring student.

The Business Department under the guidance of Mr. Thomas is preparing students for the future. This department has increased in enrollment as students realize the demand for computer and office skills in their future. Model Office gives a true 'hands on' experience of the business world while shorthand and typing are preparing students who are interested in office and secretarial skills. The new district requirement in computer literacy has caused many students to become involved in computer training and the Business Department is utilized by other departments for computer work and typing skills. There is a computer lab established on campus and special 'after hours' training has been made available to our students.

SPECIAL ED

Western's Special Education Department meets the needs of various students. The staff works with each other in a very co-operative manner and offers a varied program to meet student needs. The staff does a very professional job in working with these individuals and we are proud of the help given by these dedicated professionals and their aides.

Mr. Hoffman is all smiles.

Mr. Senglaub spreads a little Christmas cheer.

Mr. Madsen helps to simplify matters.

Mr. Tyler reads with the students.

Larry Senglaub, Lucia Fermelia, Greg Hoffman, Jane Shepphird, Dennis Madsen, Kay Crissey, Larry Tyler

DRIVERS ED. HEALTH

Dickita and Halie

This year's Health/Drivers Ed department carried on as in years past. Health, as taught by Richard Parks and Hayles Trent, helped give the Sophomores some first hand experiences. Mr. Parks's classes were instructed in the procedures of CPR, using Resusci Anne. Other important topics covered in Health are, drugs and their effects, the human blood and circulatory system, and the changing emotions of growing up, to name a few. Driver Education, taught by Bob Fieldhouse and Mr. Trent, gives to many students their very first driving experiences. This course is designed to teach them the rules of the road, it instructs them in how to obtain their license and gives them some helpful hints.

Trent teaches the trials and tribulations of traffic to teenagers.

Mr. Parks explores the facts of life.

"The Burning Bed"

When your down and out, there seems no hope at all

But if you just belive there's no way we can fall

Let us realize that a change can only come

When we stand together as one.

We are the world, we are the children

We are the ones who make a brighter day

So let's start giving

There's a choice we're making

We're saving our own lives

It's true we'll make a better day

Just you and me.

Now as the yr. comes to an end, we cherish each moment + day, reaching out for each other + a star to hang onto. Hoping everything will go our way. Love, like a star, is something to swing on, it has its up + its down, it's something we have to hold + remember + that we can swing on for ever.

very dear & close to my heart / I hope that your
